

# THE WAITING PLACE

*The Waiting Place* is a collaborative project and a group exhibition curated by Ann-Marie James and Emily Godden, commissioned by The Art Station and supported by Arts Council England.

The project combines mail art, a physical exhibition at The Art Station, an Instagram account and an online exhibition in a unique online environment called *The Waiting Place* designed by Emily (and very different from an ordinary website).

We hope you enjoy exploring the virtual exhibition and find the work by the artists below. If you can, do please visit the physical (more conventional) exhibition which opens at The Art Station on 19 May 2021. More details at: <https://theartstation.uk/exhibition/the-waiting-place/>
